## Independent Inspection & Verification (SGS / Intertek / BV) Public Summary (Marketing Sample)

### NOTICE (Important)

This page is a simplified marketing sample for presentation only. Shipment-specific inspection/verification is arranged with an independent third-party inspector (e.g., SGS / Intertek / BV) as agreed between Buyer and Seller. Official inspection reports and shipment-specific certificates are shared with verified buyers upon request.

### What can be arranged per shipment (as agreed)

- Pre-shipment inspection at loading / sampling supervision
  - Quantity & packing verification (as applicable)
  - Quality verification / analysis report (COA) issued for the actual lot
  - Heavy metals (e.g., Cd) included when required by the buyer/market
    - Supporting shipment documents (as applicable)

### Availability

Shipment-specific third-party inspection documentation is available per shipment (upon request / as agreed).

### Footer (Legal / Clarity)

Euro Agri Trading s.r.o. operates as an independent EU-based brokerage and coordination company. This document is not a sales contract and does not replace shipment documentation. Sales contract and performance obligations are agreed directly between seller and buyer.
